PATTAYA, THAILAND EASY ACCESSIBILITY & PERFECT LOCATION

Pattaya is the closest city to Thailand's primary international gateway-Bangkok. Easy to get to with modern and efficient highways and motorways, the transfer time between the 2 cities is only 1 hour and 30 minutes. Meanwhile, it takes 1 hour from International Suvarnabhumi Airport to reach the resort city, and you do not have to drive through Bangkok and face the horrible traffic jams. Besides, U-Tapao Pattaya International Airport is only 40 minutes-drive from Royal Cliff Grand Hotel and this airport has gone through significant renovations and upgraded. The new and improved U-Tapao Airport can accommodate 2,000 passengers an hour. We also have 2 fully licensed helicopter pads located at Royal Cliff Grand Hotel. Delegates wishing to come by helicopter are asked to advise in advance their arrival and departure time.
